Community Services, Inc. - Board Vacancies - Client Representative Class

Community Services, Inc. (CSI) has vacancies on its Board of Director's in the Client Representative Class. Director's may be elected from any of the following counties: Anderson, Collin, Denton, Hunt, Kaufman, Van Zandt as well as Navarro County. Client Representatives are elected by voters in their same county who have received or are eligible to receive a CSI Community Services Block Grant (CSBG) service.

The candidate may be a customer having received a CSI CSBG service in the past two years or a civic-minded individual with a track-record of supporting low-income individuals, families, and communities. The candidate should be knowledgeable about available networks and resources in their communities that support the work of social service agencies and passionate about providing support services to those in need. Ideally, although not required, the board candidate should have prior board member experience or training. Please contact Denise Freeman at (903) 875-3732 directly if you are interested or via email at dfreeman@csicorsicana.org.
